

St. Michael's School

Is going green!

God expects all of us to be good stewards of his creation. One way we can do this is by protecting and safe-guarding the environment, God's gift to us. This includes reducing waste in the form of paper, ink cartridges, and toner. Beginning next week, our school newsletters and most items being sent home will be sent via email. Sometimes, it will be necessary to send home the parent envelope. Much of what we send is already posted on our school website. Our hope is to email our information to 100% of our families.

To help streamline our efforts, please verify the email address we already have on file. If you do not have access to email, or would prefer that we continue to send the envelope each Friday, please indicate below.

Mom's email: _____

Dad's email: _____

Other email?: _____

_____ I would prefer to continue receiving paper copies of the newsletter.

Signature: _____

Printed Name: _____
